Important Reminders for ALL Families

• NO Family is allowed to drop-off or pick-up their student in front of the school on the east side of Walden St.
• NO Family should park in the neighborhood and call their child to come and meet them. Please use designate car lanes for drop-off/pick-up.
• NO Parking is allowed along the neighborhood streets. ALL parking should be in designated parking in the school parking lot.
• ALL students must use crosswalks to cross streets in order to get to the campus if they are approved as walker students.
• Families SHOULD NOT arrive prior to 4 p.m. [Mon., Wed., Thurs., Fri] or 1:15 p.m. [Tues.] for pick-up. Arriving early causes back-ups and traffic jams.

Safety Tips for Parents and Students:
Each parent has a definite role in the safe and efficient operation of a school’s transportation system. If the transportation program, as a whole, is to function effectively, the parents must assume their responsibilities to the program and extend cooperation and support to the people charged with its operation. We encourage parents to do the following:
• Cooperate with the school authorities and district personnel during pick-up and drop-off to ensure safe travel of all students.
• Parents should obey all traffic rules around the campus to help in mitigating congestion.
• Parents should work with their students that walk and bike to school to promote safe commuting.
• When riding the bus, instruct students to use good behavior and encourage them to obey all traffic rules, signs, and signals.
