Transportation Services is committed to providing safe and pleasant trips to and from school for your child.

For Section 504-eligible students with transportation as a related service, Transportation Services requires up-to-date and accurate information regarding your student’s special needs to ensure safe transportation.

The Transportation 1066 Form is an internal DPS digital form that documents your child's needs to Transportation Services. In accordance with the Family Education Rights and Privacy Act (FERPA) all personal information regarding students is strictly confidential.

**What to do if my address changes?**

If at any time your address or contact information changes, please:

1. Notify the school’s front office to update Infinite Campus
2. Notify your child’s Section 504 team members, one of whom will update the 1066 form to submit to SE&O.

**Who do I contact with Questions?**

All questions should be directed to the Section 504 Coordinator at your school.
