Transportation Opt-In Program

The form below should be used to opt-in students for transportation services for the 2020-21 school year.

- If there is a toggle next to your student's name, your student is “Opt-in Eligible.” If you would like to utilize bus services for the 2020-21 school year, please click the toggle button to move it to the right. If your student(s) does not need transportation services, no action is needed.
- If your student appears as “Opt-In Ineligible” below, they are not eligible for transportation services based on the Board of Education’s transportation eligibility policy E62A. Click here to read more about eligibility requirements.
- If your student appears as “Auto Opt-in,” no further action is required.
